Following is an explanation of forms that are used in reporting/monitoring workers' compensation injuries. When reporting please provide supervisor/manager contact name and telephone number.

**Employee Accident/Injury Questionnaire** – Injured worker must complete his/her version of the occurrence. All questions on the form **MUST** be answered in order to give the adjuster accurate information. This form must be signed and dated by **employee**.

**Witness Statement** – Have the witness complete, sign and date as soon as possible after the incident. This form must be signed and dated.

**Documentation Form** – Please document **ALL** conversations regarding the injury as well as, the date of conversation, the person you spoke with and what was discussed during the conversation.

**Authorization for Treatment** – Send this form to the work comp doctor on the first visit after an injury occurs. It has the information that the doctor's office will need including my name and number to contact me for authorization. I will give the doctor's office the workers comp information.

**Medical Release Form** - Injured worker must sign if they refuse medical treatment.

**Provider List** - Present to injured worker at the time of the incident. They **MUST** seek medical treatment from doctor on the list. If no provider list included in your packet of information, go to nearest **Doctor's Care/Urgent Care or walk in facility** in your area.
